

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF TEXAS  
FORT WORTH DIVISION

BARBARA SUE WILLIAMS                   §  
   §  
V.   §  
   §   CIVIL ACTION 4:17-CV-46-Y  
NANCY A. BERRYHILL, COMMISSIONER §  
OF SOCIAL SECURITY                   §

ORDER ADOPTING MAGISTRATE JUDGE'S  
FINDINGS, CONCLUSIONS, AND RECOMMENDATION

The Court has made an independent review of the following matters  
in the above-styled and -numbered cause:

1. The pleadings and record;
2. The findings, conclusions, and recommendation of the United States magistrate judge filed on June 29, 2017 (doc. 17); and
3. Plaintiff's objections to the findings, conclusions, and recommendation of the United States magistrate judge filed on July 13.

Plaintiff makes the same arguments in her objections that were addressed in detail in the magistrate judge's report. Essentially, Plaintiff argues that the Administrative Law Judge's finding that her mental impairment is not severe is not supported by substantial evidence. But Plaintiff fails to even address the substantial evidence noted by the magistrate judge. (FCR (doc. 17) 5-6.) On the false premise that there is no substantial evidence, Plaintiff conclusorily asserts error.

After *de novo* review, the Court concludes that the Commissioner's decision should be affirmed for the reasons stated in

the magistrate judge's report of his findings, conclusions, and recommendation.

It is ORDERED that the report of the magistrate judge should be and hereby is ADOPTED as the decision of this Court. As a result, the decision of the Commissioner is AFFIRMED.

SIGNED October 26, 2017.
